PNEUMATIC DIVISION

Air Valves
Filter Regulator Lubricators
Cylinders

Pneumatic connection devices: flow control regulators, pneumatic function fittings and universal compression fittings

transair

Light-weight, quick-connect interlocking aluminum components for piping system modifications

FLUID CONNECTOR DIVISION

Pneumatic fluid connectors: push-to-connect, adapters, flare, barbed, compression, ball valves, quick disconnects, plastic tube and hose

Manufactures and markets a complete line of compressed air treatment components and control products

Large Product Portfolio Of Gripping Systems/Clamping Technology w/ More Than 11K Components.

Clamps, cylinders, escapements, grippers, multi-motion, rotary actuators, slides and switches

Vacuum pumps, suction cups, vacuum and blow systems, vacuum grippers, vacuum conveyors, and other related accessories

Industrial and safety shock absorbers, velocity controllers, gas springs, hydraulic dampeners, rotary dampeners, and elastomer bumpers

Connectivity solutions for fieldbus and serial interface

Reading Technologies, Inc.

Specialized air preparation for extreme moisture removal

Small three-way and four-way air valves

Large three-way air valves
Press safety valves
Addition safety products

Bimba is part of
IMI Precision Engineering

Actuation technology including air cylinders, rotary actuators, linear thrusters, rodless cylinders, flow controls and position-sensing cylinders

NFPA interchangeable cylinders, air boosters, oil and air tanks

80/20[®] Inc. The Industrial Erector Set[®]

The Industrial Erector Set! T-Slot aluminum extrusions

High quality actuators, pneumatic filters, regulators, lubricators, fittings, and valves

Full line manufacturer of regenerative blowers and a wide range of vacuum and pressure technologies including vacuum pumps.

High pressure equipment: valves, fittings, tubing, liquid air driven pumps, boosters and air amplifiers

Air springs for technologically advanced isolation, actuation and pick and place solutions

Pneumatic linear actuators and pneumatic linear thrusters

Some products may not be available in Mississippi and the Florida Panhandle
