

## We are Hose, Fittings & Belting

- 🔧 In-House Custom Fabrication
  - Metal hose fabrication
  - Conveyor belt fabrication and vulcanization
  - Pressure testing and tagging
  - Custom gaskets and socks
  - Custom fabrication hose and tube assemblies
- Hydraulic, Industrial, Composite, Teflon Hoses in stock for same day service
- 🔧 Proud Member of NAHAD.
  - Parker Certified Technology Center

## We are Pneumatics

- 🔧 Member of MDN network and CRP certified
- 🔧 Custom engineered assemblies and production quantity assemblies
- 🔧 Largest inventory of pneumatic air prep, control valves, fittings, and service parts in the region
- 🔧 Customer pick-up or same day ship of stock items
- 🔧 Ability to cross to "in-stock" components
- 🔧 Proud Member of FPDA.

## We are Custom Solutions

- 🔧 80/20 design engineers on staff
- 🔧 VAST (Value Added Service Team) assemblies
- 🔧 Custom designed products for consumer applications.
- 🔧 Made-to-order hose & belting assemblies

*Air Hydro Power is an industrial distributor providing solutions with hydraulics, pneumatics, electrical automation, and hose and fittings. AHP provides technical expertise to increase productivity and to keep your plants and machinery running!*

## We are Automation

- 🔧 Vision, Safety, Sensor and Automation Specialists on staff
- 🔧 Application Engineers provide pre- and post sale support
- 🔧 In-House Vision Labs
  - Louisville, KY
  - Lexington, KY
  - Birmingham, AL
- 🔧 Proud member of AHTD.

## We are Hydraulics & System Design

- 🔧 Parker Hydraulic Technology Center
- 🔧 Manufacturer of custom power units, actuators and manifolds in house
- 🔧 Experienced design engineers knowledgeable in many industries
- 🔧 Complete sub assemblies and assemblies for expedited installations
- 🔧 Customer specific designs for demanding applications

## We are Hydraulic Repair

- 🔧 ISO 9001-2009 certified repair facilities for cylinders and hydraulic pumps
- 🔧 Repair to exceed OEM specifications
- 🔧 All work performed in-house
- 🔧 24 hour, 365 days per year service
- 🔧 All products fully tested and guaranteed

# Industrial Automation

**COGNEX**  
World's leader in vision systems, vision software, vision sensors, and industrial identification systems used in manufacturing automation

**SICK**  
Technology leader in safety, factory automation and process automation

**MITSUBISHI ELECTRIC**  
PLCs, variable frequency drives, HMI operator interfaces, motion control systems, industrial robots, servo amplifiers, and motors

**IAI**  
Quality and Innovation  
High precision electrical actuators and controls, SCARA robots

**HIWIN**  
High Capacity and System Technology  
Ball screws, linear guideways, industrial robots, precision bearings, linear actuators and motors, AC servo motors & drives, and integration products

**TOSIBOX**  
Globally patented and fully secure connection between devices

**Swivellink**  
INTELLIGENTLY DESIGNED  
Mounting solutions for vision systems, cycle start buttons, sensors, lights, monitors, part fixtures, tool holsters, and robot applications

**squeaks**  
Industrial IoT messaging software developed by iGear.

**Fuji Electric**  
Information control systems, substations, factory automation, and electronic devices

**ROBOTIQ**  
Flexible electric robot grippers providing unique agility and versatility to industrial manufacturing

**BALLUFF**  
Proximity, photoelectric and mechanical limit switches, linear position transducers, identification systems

**WAGO**  
Electrical interconnections and decentralized automation technology

**rethink robotics**  
Adaptive robots for manufacturing

**Tolomatic**  
RODLESS ELECTRIC SERVO ACTUATORS  
Rodless and rod-type servo electric actuators and servo weld guns

**80/20 Inc.**  
The Industrial Erector Set®  
T-Slot aluminum extrusion and fastening hardware

**MURR ELEKTRONIK**  
Your partner from the switch board – via the interface – passive or active, in the field

**phd**  
Specialized electro-mechanical solutions in weld cells and assembly operations

**KOLLMOERGEN**  
Servo motors, drives and controls

**Pro-face**  
Xycom industrial PCs, flat panel monitors, and controllers

**HAMMOND MANUFACTURING**  
Small enclosures and full-sized electrical enclosures

**EATON Cutler-Hammer**  
Leading suppliers of electrical control products

# Hydraulic

**Parker** **HYDRAULIC TECHNOLOGY CENTER**

**Pumps:** Fixed and variable; gear, vane, bent axis, piston, gerotor, hydrostatic transmissions

**Motors:** Low-speed, high-torque; high-speed, low-torque; gear, gerotor, piston

**Valves:** In-line, threaded cartridge, mobile valves, servo, proportional, DIN cartridge, flow control, sandwich stack, logic

**Cylinder:** Heavy duty, medium duty, compact, electromechanical, custom, NFPA mounts

**Rotary Actuator:** Rack-pinion, vane, industrial

**Electronic Controls:** IQAN controllers/modules, displays, instrument clusters, levers/joysticks, sensors, software

**Accumulator:** Bladder, diaphragm, piston, surge protectors, reservoir isolators, gas bottles

**Coolers:** Air-oil coolers, water-oil coolers

**Filtration:** High, medium, and low pressure, off-line/portable filtration, water removal, fluid condition monitoring, oil analysis, replaceable elements

**Power Units:** Compact fluid power systems, customizable power systems

**Brands supplied by Parker:** Denison Hydraulics, Calzoni, VOAC, Sterling Hydraulics, Gresen, Commercial Hydraulics, Kittiwake, Atlas Cylinders, Schrader Bellows, Miller Fluid Power, Greer, Olaer

**AHP AirHydroPOWER Custom Assemblies**  
Custom hydraulic components and packages built to your specifications when you need them

**AHP AirHydroPOWER Repair Services**  
Complete hydraulic repair service for ALL BRANDS  
Repairs on Eaton, Vickers, Rexroth, Bosch, Hydroline, Parker, Kawasaki & many more

**TRD**  
NFPA interchangeable hydraulic tie rod cylinders

**Parker** **COLOR FLOW VALVES**

**Parker** **FLUID CONNECTOR DIVISION**

**Kawasaki Staffa**  
Hydraulic torque motors and radial piston pumps

**STAUFF**  
Clamps for pipe, hose and tubing, high-pressure ball valves, filters, and electronic fluid measuring systems

**Daiman**  
Hydraulic valve manifolds

**TOKYO KEIKI TOKIMEC**  
Specialty Japanese hydraulic valves and pumps

# Material & Fluid Conveyance

**Parker** **FLUID CONNECTOR DIVISION**

**COMPOSITE & INDUSTRIAL HOSE**  
Parker Industrial specializes in rubber and thermoplastic hose for LPG, chemical, petroleum transport, steam, material transfer, food, air and water products

**Parker Snap-tite**  
Design and manufacture fluoroelastic tubing and heat shrink PTFE, PFA, FEP, MFA, THM, ECTFE and PVDF, PEEK™, ULTEM® for use in a wide variety of fluid transport applications

**Forbo**  
Total belting solutions. Conveyor belts, processing belts, timing belts and flat belts. In-house vulcanization and splicing capabilities.

**FLEXCO**  
Mechanical belt fastenings and endless splicing systems, conveyor belt maintenance tools, belt cleaners, and transfer solutions

**QC Industries**  
Low Profile Belt, Chain, and Indexing Conveyors

**REELCRAFT**  
Industry leader for hose reels, cord reels and cable reels

**COXREELS**  
Heavy duty, professional-grade hose, cord, and cable reels of the highest quality

**Kuriyama**  
Thermoplastic hose and tubing, cam and groove and rubber products

**OXON**  
The Right Connection™  
Providing an array of cam and groove, specialty, industrial, tank truck, and sanitary fittings

**PT Coupling Company**  
High quality cam and groove industrial quick connect couplings and replacement parts

**HI-TECH DURAVENT FLEXAUST**  
Manufacturers of flexible hose for many applications including air hose, ducting, fume, material handling and dust collection

**HOSE MASTER**  
Corrugated metal hose, strip wound metal hose, metal expansion joints, custom fabricated assemblies and specialty products

**PERAFLEX HOSE INC.**  
Composite hose assemblies which provide excellent chemical resistance with maximum strength and flexibility

**INSULFLEX**  
Fire sleeves, fire blankets, heat tapes, sealants, festoons and custom products for heat protection

**NITTO**  
Specialized Japanese quick connect couplings for hydraulic and pneumatic applications

# Pneumatic

**MAC**  
Pneumatic solenoid valves, proportional pressure controllers, fieldbus/serial interface, mechanical air valves, custom air valves

**MDN** stands for MAC Distributor Network: a global organization of independent distributors and manufacturers with the common focus of customer service and support anywhere in the world

**phd**  
Clamps, cylinders, escapements, grippers, multi-motion, rotary actuators, slides and switches

**piab**  
Vacuum pumps, suction cups, vacuum and blow systems, vacuum grippers, vacuum conveyors, and other related accessories

**ACE**  
Industrial and safety shock absorbers, velocity controllers, gas springs, hydraulic dampeners, rotary dampeners, and elastomer bumpers

**MURR ELEKTRONIK**  
Connectivity solutions for fieldbus and serial interface

**Parker** **FLUID CONNECTOR DIVISION**  
Pneumatic fluid connectors: push-to-connect, adapters, flare, barbed, compression, ball valves, quick disconnects, plastic tube and hose

**Parker** **Skinner Valve**  
2-way, 3-way and 4-way valves, solenoid valves, liquid control valves and valve automation line

**Tolomatic**  
Pneumatic linear actuators and pneumatic linear thrusters

**RTI Reading Technologies, Inc.**  
Specialized air preparation for extreme moisture removal

**legris**  
Pneumatic connection devices: flow control regulators, pneumatic function fittings and universal compression fittings

**EMWA**  
Actuation technology including air cylinders, rotary actuators, linear thrusters, rodless cylinders, flow controls and position-sensing cylinders

**TRD**  
NFPA interchangeable cylinders, air boosters, oil and air tanks

**MEAD**  
Specialty cylinders, miniature control valves, manual control valves specialty valves, production devices and accessories

**PNEUMADYNE**  
Pneumatic components and pneumatic control systems, directional control valves, fittings, manifolds, air nozzles and custom products

**MFD**  
Extruded body designs are interchangeable with international brands and incorporate switch mounting for a clean, space-efficient package

**ACRO**  
Pinch valves and integrated fluid control assemblies for the medical, bioprocessing, and industrial markets

**80/20 Inc.**  
The Industrial Erector Set® T-Slot aluminum extrusions

**NORGREN**  
High quality actuators, pneumatic filters, regulators, lubricators, fittings, and valves

**AIRTECH**  
Full line manufacturer of regenerative blowers and a wide range of vacuum and pressure technologies including vacuum pumps.

**MAXPRO**  
High pressure equipment: valves, fittings, tubing, liquid air driven pumps, boosters and air amplifiers

**Firestone**  
Air springs for technologically advanced isolation, actuation and pick and place solutions

**WILKERSON**  
Manufactures and markets a complete line of compressed air treatment components and control products
